

THAT JUST RIGHT FEELING

# Camelot Firm

## Sleep Surface

-  **Hyper-Soft™ Gel-Top Quilting**  
Durable gel-infused construction retains its feel for years of consistent comfort.

## Comfort Layers

-  **High-Density Gel-Infused Super-Soft Foam**  
Provides cool, comfortable, pressure-relieving support.
-  **High-Density Firming Quilt Foam**  
Proprietary comfort layer providing a slow response, mid-level support.
-  **Ultra-Last™ Comfort Foam**  
Delivers incredible durability, and retains its resiliency longer than standard foams.
-  **Memory Foam Posture Insert**  
Delivers extra support where you need it most.
-  **Ultra-Last™ Comfort Foam**  
Delivers incredible durability, and retains its resiliency longer than standard foams.

## Support System

-  **Combi-Zone Pocketed Coil System**  
Featuring high-performance center zoning, this ergonomic spring system delivers deep support and virtually eliminates motion transfer.
